JOHN L. SULLIVAN is a candidate for Mayor of Boston. If the bruiser should happen to win, the blow would almost kill Boston.

THERE is a panic in Chili as a result of the fall in silver. The mines will close if the decline continues, and ruin is threatened.

Boyd county silverites have surrendered. They ignored the silver question and placed two sound-money Democrats on their ticket.

MR. BRYAN is still for silver—and a great deal of it. An exchange says that he will get \$1,500 for attending a silver camp meeting at Springfield.

THE premiership of Spain has been formally conferred upon Gen. Azcar, raga, the Minister of War, who has been serving in that capacity under temporary appointment since the death of Canovas.

OF course Mark Hanna is to blame for the boost in wheat. The blasted old boddler has cornered the market just to make times good for the farmer. He's the same fellow, too, who started all that Klondike talk.

FREE silver as a political issue in the Greater New York campaign has disappeared, as a result of the business revival. The silver League has despaired of forcing on Tammany Hall the re-adoption of the Chicago platform.

THE use by silver editors of such terms as Hannacrats, bollocrats, assassins, traitors, etc., never yet caused a voter who did not favor silver, to turn aside from his convictions—and never will. Nor have such epithets ever harmonize divided wings of any party.

As a result of the decline of silver there has been a marked rise in the price of all commodities in Mexico. There has been no increase in wages or salaries and the situation is growing serious. The silver advocates, like their brethren in the United States refer the slump to a conspiracy of British capitalists.

A WASHINGTON dispatch says: "Information comes from Costa Rica that the government has asked the United States Mint Bureau to coin 600,000 colons under the former government's new system of coinage favorable to gold. It will also seek to secure gold bars sufficient to coin an additional 400,000 colons. The colon is equivalent to 46 cents. The ratio at which the Costa Rica coinage is made is 32 to 1, as between gold and silver. The Bank of Costa Rica sold its supply of silver before recent decline, and is said to have made considerable profit thereby."

The Way To Pilot Knob.

[Walter Champ in Judge.]

The average mountaineer is nothing if not indefinite when he gives one information regarding the distance from one point to another. "Friend, how far is it to Pilot Knob?" inquired Lawson Burnett, of Ohio, meeting Jake Rystaw, of Kentucky.

"Wa-al, stranger, if ye foller the road goin' to the right it's a leetle nigher than the tother way; but if ye go to the left, it's a leetle furdher than the nigh way."

"Yes, but how far is it?"
"If ye go at a purty good gait it won't take very long to git thar. It's a good piece, I reckon, anyhow, stranger. Git a-n-a-p-e, thar, Sampson! Haw, thar, Sambo!"

Then he cracked his whip and drove on, leaving the Ohio man measuring the distance with his eye.

THE BIG SHOW.

"Where are you going my pretty maid," "I'm going to Lexington," sir, she said.
"May I go with you my pretty maid?" "If you'll foot the Buffalo Bill," she said.

The season at the Lexington opera house was opened last night by the Punch Robertson Company. Among Manager Scott's fine bookings for this season are "In Gay New York," "Sinbad," "The Girl From Paris," Clay Clement, Otis Skinner, R. E. Graham, Herrman, "The Cherry Pickers," E. S. Willard, Nat Goodwin, Fields' Minstrels, Sol Smith Russell, Thos. Keene, Primrose & West, W. H. Crane, "The Geisha," "The Brownies," "Human Hearts," "A Contented Woman," Francis Wilson, Susie Kirwin, "Devils Auction," and a score of other good things. Lexington theatre-goers have much pleasure in prospect.

Ernest Hogan, colored, who wrote "All Coons Look Alike To Me," is a Kentucky product, hailing from Bowling Green. The royalties on his song net him about \$400 per month. He makes \$150 per week as a vaudeville actor. He has a farm in Wisconsin, a cottage at Asbury Park, and is interested in a mine at Cripple Creek.

The season at the Paris Grand Opera House will probably not open until the middle of September. Among the attractions booked are "Hogan's Alley," "Great Train Robbery," "A Jolly Night," "Devil's Auction," R. E. Graham, "Darkest America," "Sale of Champagne."

Mme. Herrmann, widow of the late Alexander Herrmann, will make her appearance this season as a woman magician, presenting many of the illusions given by her famous husband. She will also give a new dance, invented and perfected by herself this Summer.

Giles Shine, an old Paris favorite, will be with Frohman's "Under The Red Robe" Company this season. Mary Hampton, a talented Louisville girl, will be the leading lady.

Go-win in New York declares that Calvin S. Brice, Jr., son of the Ohio millionaire Senator, is soon to wed Miss Anna Robinson, a pretty actress.

"Progressive Initials" is a new game which claims the attention of the young people in many Kentucky towns.

The Great John Robinson & Franklin Bros. Shows, Combined.

NEVER in the history of tented amusements has the world known so vast an enterprise as the one made by the combining of these two great institutions. It has brought the circens field into a new era, and placed circens exhibitions upon a basis that has never before even been attempted. Two separate and distinct representative circens companies, called from the best that the world affords have been joined together. Two massive menageries have been blended into one and the two magnificent parades have been so arranged that a double parade is given daily in the cities where these combined shows are to exhibit.

It requires the largest tents that have ever been constructed to accommodate this big amusement institution, and so enormous have been the crowds attending, that it has been necessary to augment the seating capacity, for it is not the policy of these shows to limit their seating capacity as to make those who desire to see and enjoy the wonderful performances procure reserved seats, and while there have been reserved opera chairs placed around the arena for the accommodation of those desiring them, fully eight-tenths of the seats are free to the patrons. The day of exhibition in Paris, is Monday, August 30, and it will surely be a gala day.

Let The Whole World Know The Good Dr. Miles' Heart Cure Does

HEART DISEASE, has its victim at a disadvantage. Always taught that heart disease is incurable, when the symptoms become well defined, the patient becomes alarmed and a nervous panic takes place. But when a sure remedy is found and a cure effected, after years of suffering, there is great rejoicing and desire to "let the whole world know." Mrs. Laura Wineinger, of Selkirk, Kansas, writes: "I desire to let the whole world know what Dr. Miles' Heart Cure has done for me. For ten years I had pain in my heart, shortness of breath, palpitation, pain in my left side, oppressed feeling in my chest, weak and hungry spells, bad dreams, could not lie on either side, was numb and suffered terribly. I took Dr. Miles' Heart Cure and before I finished the second bottle I felt its good effects, I feel now that I am fully recovered, and that Dr. Miles' Heart Cure saved my life." Dr. Miles' Heart Cure is sold on guarantee that first bottle benefits, or money refunded.
